

## Internet Trolls

They repeat lies like a gif

They have the emotional landscape of an emoticon

Their hashtag is: [#WeAreTheToolsForTheFEW](#)

They Hasbara conversation

They meme deletion of depth

They slam the *Facebook* against sense and reason

Their thinking is as up-to-date as Dial-up Modems

They hide behind Firewalls

They are a Chatroom of trolls and they gaggle like teenagers

They are the *Grand Theft Auto* of critical thinking and empathy

They *Candy Crush* our intelligence and logic

And they mediate us out of our social responsibilities.
